The sponsors of this International Exhibition of Photography have been awarded Recognition by PSA, the world's largest patron of international photographic exhibitions. PSA, although it has provided Recognition, is neither a sponsor nor directly involved in the operation of this exhibition.

Valid acceptances received by PSA Members in recognized sections of this exhibition are eligible for PSA Star Ratings, listing in the world-wide PSA Who's Who of Photography and credited towards the PSA Distinctions of PPSA, EPSA, MPSA, GMPSA, GMPSA/b, GMPSA/s, GMPSA/g, and GMPSA/p.

PSA is a non-profit organization promoting the advancement of photography in all its forms to novice, amateur and professional photographers world wide.

For information on membership and the many services and activities of PSA contact:

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.

Have look on the site: www.gpuphoto.com

World over, Photography is a universal way for people of all languages and cultures to communicate with each other. It does not matter whether the photo is captured with a "real" camera, or with a smart phone: everyone is taking pictures and showing them to friends and loved ones. The Cross Continental Circuit (CCC) has, in 2016, once again connected hundreds of people from over the world who have moved on to making photographs, from simply taking pictures.

Photographers from photo clubs in three judging locations (Europe - Germany, Asia - Indonesia, and North America - USA) came together and completed well run and fair competitions in four sections: PIDC Open, PIDC Action, PIDM Open, and Photo Travel Open. The three host camera clubs are the German International Photocup, the Art Photography of Indonesia and the Oklahoma Camera Club.

It was a pleasure for all of us involved to again get to work with so many experienced international salon organizers who all care deeply about supporting the art of photography. We are proud that the 2016 CCC received the international patronage from PSA, and GPU.

The entry response to the 2016 CCC was equal to last year. Coming from all over the world, we had 444 entrants. Together this represented 38 countries, with a total of 4692 images entered. We continued to award best youth awards, and also held a special drawing for a \$500.00 (US) prize.

The judging started in the USA on Thursday, 3 December through 4 December. The German and Indonesian judgments were held on 4 December through 5 December. The General Chairman in Germany had to be available to help with any problems while all three judgments were going on. Fortunately, his pre-planning and good communication made the whole thing possible.

We cannot thank enough all the entrants who trusted us with their images, and took the time to our exhibition. Without the support of the photographic community, no exhibition is possible. We also want to sincerely thank all of our workers who gave so much of their time to support the three judgments. We cannot say enough good about all of the juries, volunteers, and everyone who else contributed to the success of Cross Continental Circuit 2016.

CCC was the first to connect people on three continents to work together among themselves and with so many other photographers around the world. This year, we were all proud to be able to continue this labor of love. We hope all who entered this year, and more, will enter the 2017 Cross Continental Circuit.

Jan Lee, FPSA, EPSA

Co-chairman North American Salon – 2016 Cross Continental Circuit
